T.I.P. Rural Electric is sponsoring the chance for a student that is currently in their sophomore, junior or senior year to go on an all expense paid trip to Washington D.C. from June 14 through June 20, 2019. This is a unique opportunity for a student in our service area to learn more about their nation's capital.

Approximately 35 participants will be chosen by local electric cooperatives from across the state of Iowa. They will be joined by approximately 1,600 other participants from around the country.
