Terms and Conditions - Appliance Recycling Incentives - Vendor or Landfill

Program Offer: The Program covers products purchased and/or services rendered on or after **January 1, 2018**.

Eligibility Requirements:

1. All appliances are to be collected for recycling and cannot be resold or donated as an appliance to any individual or organization.
2. Only appliances in operating (working) condition qualify for this incentive program. Member must verify the current operational condition of the appliance(s). To be considered in operating condition, the compressor and fan (if applicable) must operate when the appliance is plugged in.
3. Company or facility accepting the appliance(s) must verify that the appropriate EPA and Iowa DNR standards and regulations will be followed in the proper recycling, demanufacturing and disposal of the equipment.
4. A receipt and a signature by the company or facility representative must be provided as proof of transfer and intention of proper disposal.

General Terms and Conditions

Rebates shall be pro-rated based on the percent of power supplied by the Cooperative if the member has distributed generation.

Application Information: Missing or incorrect information on the application may delay processing and delivery of the rebate. An invoice is required and should include specific product information, including the brand, model, serial number and date of purchase of the energy efficient measures. Other information including manufacturer's equipment performance sheets may be required upon request.

The Cooperative reserves the right to verify sales transactions and to have reasonable access to the Member's facility to inspect pre-existing equipment (if applicable) and energy efficient measures installed under this program.

Warranty Information: The Cooperative makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. The Cooperative does not guarantee that a certain level of energy or cost savings will result from the use of products covered by this program.

Limitation of Liability: The Cooperative's liability in connection with this program is limited to paying the rebate specified when all terms and conditions have been satisfied. Under no circumstances shall the Cooperative be liable for any consequential or incidental damages or tax liability resulting from participation in this program.

Participant Certification: Participating Member certifies that he/she purchased and installed the equipment listed on their application at the defined location served by the Cooperative. The Member agrees that all information provided is true and that he/she has conformed to all program requirements. If the equipment and application does not comply with the Cooperative's rules and qualifications, the rebate amount may be denied or adjusted.

Program Changes/Termination: The Cooperative reserves the right to extend, modify (including incentive levels) or terminate this Program at any time without prior or further notice. The Member is responsible for checking with the Cooperative to determine whether the program has been changed or is still in effect.

Members must apply for rebates within six (6) months of the purchase date (as shown on the Member's invoice). Past eligibility, however, does not guarantee that equipment will meet criteria for current programs in effect.
